

To Whom It May Concern:

Re: reference for BJC 2005 - Perth City Centre Manager

We were very pleased to work with Graham Benson and Britta Hoffman for the British Juggling Convention in Perth during early 2005. The event was well run by the organisers who kept us informed regularly about their proposed activities. It was also a very colourful spectacle for Perth city centre and local businesses such as shops, cafes, restaurants and pubs benefited from delegate spend.

Perth City Centre Management worked with the organisers with regard to PR, the city centre parade and games and liaison with the local business community.

I trust this reference is useful for your bid for the BJC 2007.

Best Regards

Gillian Coyne
