Information

Registration

...is located in Psychology BOZO, which you know, because you are reading this. The point is, right, that you should now move out of the registration area and go put up your tent or something. If you have questions later, go to the Information desk.

Da Info...

The information desk is in Sports Centre reception area, along with gyms, showers and toilets! Any information not found in the programme or signs should be available here. Bother us here! Do not bother Rob as he will probably already be plenty bothered and may have to be rude to you!

Da Parade

We have arranged a parade through the picturesque city of York. The locals are resigned to such antics and the tourists will be delighted. Also a chance to sample a few of York's 100+ excellent pubs. Games are after the parade. Buses will run there and back - don't miss them!

Da Show

The main show will be on Saturday at 7.30pm in Central Hall (the big UFO on the lake). Don't loose ya ticket or ya won't get in! Beer on sale before and at interval.

Da Bumps 'n' Da Brusies

There is a first aider on duty at all times. Go to the Information desk for directions.

Da Bogs 'n' Da Showers

There are loos on the campsite, in the sports hall and in the colleges. They should be easy to find unless stoo-dents steal the signs!

Da Shops

Traders and food and bar are in Goodricke college, across the car park: get ya dosh out...

Da Rules

Camping

We had to work hard to get permission to have the site; the university is precious about its grounds and the local residents are concerned about disturbance so we have to be strict:

No fires.

No dog (or cats)*.

No cars.

If you must drum after 11 do it inside!

Please camp in the marked areas and keep the lanes clear for service and emergency vehicles.

This will be enforced!

Fire juggle in the marked area not beside your tent!

Be Sensible

The University Porters and Security are around for your safety. Please listen to what they say and act upon it. Please keep an eye on your belongings: Jugglers are a nice bunch but thefts do happen.

Whaddaya think of the show so far?

Rubbish

Please keep the whole site as tidy as you can and use the bin bag you were given at registration. When it's full please dump it in the skips on the cycle track that runs behind the marquees. You'll find recycling skips there too.

**Or platypusses. In fact no animals' aardvarks are right out!*

Your Pass

Look after your pass. We can't refund you if it goes missing. Likewise, your room key is precious to the university. Please look after it and save us from recriminations!

JUGGLING & KITE SHOP, BIRMINGHAM

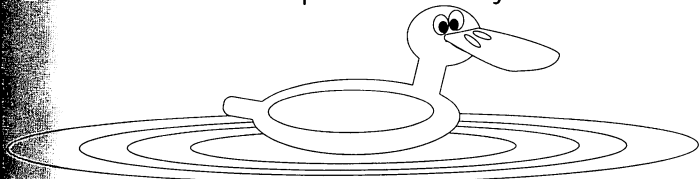

Established in 1995, we are Birmingham's Premier Juggling and Kite retail outlet. Situated on the A38, 3 miles south of Birmingham City Centre, within walking distance of Birmingham University and 200 yards from British Rail Selly Oak.

We sell a vast range of Juggling equipment plus associated items, Kites from Peter Powell original stunt kite to FlexiFoil power kites; buggies and surfboards, magic and a huge range of novelty items.

Juggling and Kite Shop

opening times mon-sat 10—5:30

The Ducks

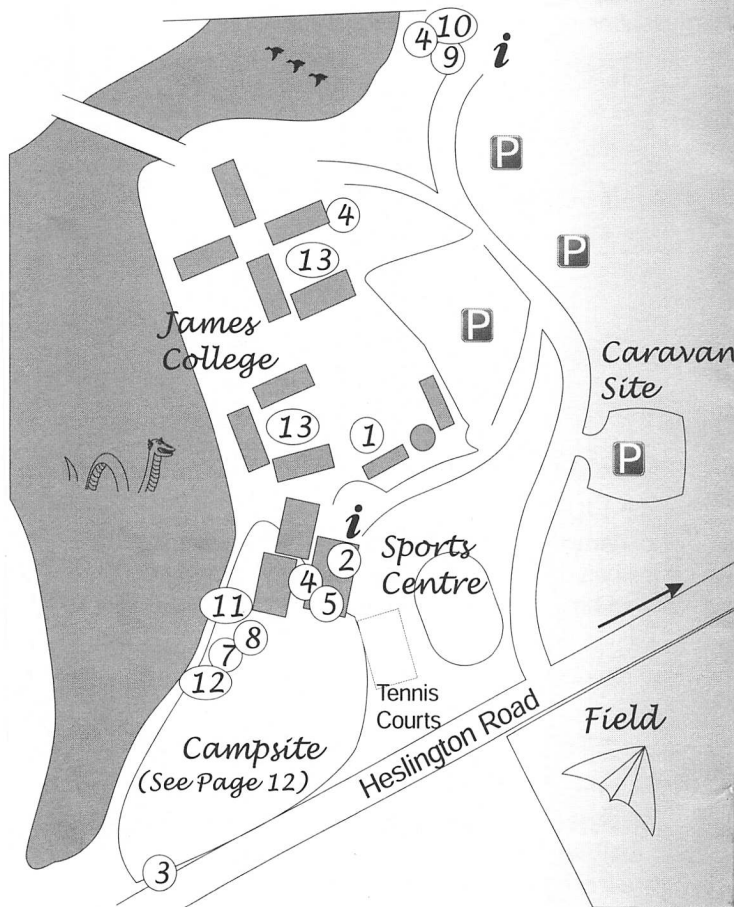

York campus is a wildfowl reserve. York university punishes duck abuse more stringently than murder*. Do not harm them or the porters will harm you.

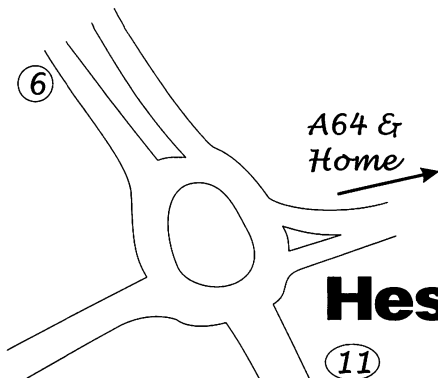

**After serving your time for murder you may be able to come back to York and resume your degree. No such luck for those who interfere with fowl.*

14:30-17:00lunch

18:00-19:30dinner

Good fodder is served till late in the food tents on the campsite.

There are two bars: a warm, dry, cosy indoor bar offering a variety of local ales, including a specially brewed beer; and a beer tent with normal bright beers 'n' stuff

Goodricke bar is open

12:00 - 14:00 every day

18:00 - 00:00 Fri & Sat; Thurs till 23:00

Marquee bar on site is open

20:00 - 02:00 every day - may have sarnies.

Heslington Village

A short walk from the campsite, Hesy boasts 4 banks a shop a post office and two pubs; but none of them wanted to advertise with us — so sod 'em.

York

In York itself, there are many pubs and chain restaurants and take aways, (bella pasta, pizza express etc.) But there are a few gems too. Ask at the information desk for directions to Betty's tea rooms (for Americans!) or the Mason's arms for stonking good pub fayre.

Missin' Ya Already!

We hope you had a good time and that all our work paid off. If you want to give something in return, come to the convention meeting and add constructive criticism to the convention website (<http://www.bjc2k.york.ac.uk/>) discussion board. A really big favour, please clear the site promptly, & take a moment as you leave to pick up some of that rubbish!

Drive safely now!
